Dear President Michael Hood-Juilen:

As Grenadians celebrate thirty-four years of independence I congratulate the Grenada Cultural & Civic Association for your service to Grenadians and the people of Caribbean descent in South Florida. This organization has served the community by promoting social and cultural interaction amongst Grenadians in South Florida, and to foster the establishment of a Caribbean organization for the benefit of all people from the Caribbean. Additionally, I applaud the GCCA for your efforts in helping Grenadians in Grenada in the areas of health, education and culture and giving generous donations to needy individuals within our community. All in all, I congratulate the Grenada Cultural and Civic Association on the celebration of your 20th Anniversary and commend you on such an appropriate theme "Building bridges within our community".

Sincerely,
